Blueberry Honey Cake

1 cup Tewksbury Honey's Fall honey
Half a pint of blueberries
2.5 cups flour
4 eggs
1 cup OJ
Zest of one orange
1 cup sugar
½ cup vegetable oil
3 tsp baking powder
½ teaspoon baking soda
½ tsp salt
1 tsp cinnamon

Whisk all wet ingredients together using only half of orange zest. Sift in dry ingredients and mixed until combined. Fold in blueberries, coat with flour first if you don't want them to sink to the bottom of the bundt pan. Transfer mixture to oiled bundt pan and bake at 350 for 40-45 minutes. Once cool mix together a little icing sugar, vanilla extract, and milk to making a drip icing and top with remaining orange zest for a pop of color.
